

TULIP NEEDLES

- Easy-to-thread needle eye
- Flexible body
- Needle point for smooth piercing
- About needles with Superior Polished Finish, we polish the needle lengthwise in streaks to minimize the contact surface with the fabric

"TULIP NEEDLES" received
Special Prize of the 14th
HIROSHIMA GOOD
DESIGN AWARD.

"TULIP NEEDLES" were
certified as "The Wonder
500".

Sewing Needles

TULIP NEEDLES

Large needle eye, flexible and warp resistant, runs smoothly through fabric

The main features of Tulip needles are their smooth fabric piercing and their flexibility. We have more than 30 processes to make sure that each of our needles is safe and high quality. We know you will be satisfied with the smooth fabric piercing of Hiroshima Needle, which account for 90% of the total national production of sewing needles and are favored around the world.

"TULIP NEEDLES" received Special Prize of the 14th HIROSHIMA GOOD DESIGN AWARD.

"TULIP NEEDLES" were certified as "The Wonder 500".

Needle-eye

A quality eye that prevents snagging

The ideal shape of this needle, along with its beautifully made eye, which is large and allows for easy threading, are its main features.

Body

Smooth, difficult to bend or break

This needle is a product of Tulip's highly detailed precision-processing technology, which makes use of state-of-the-art fields such as machine testing. Our special processing and surface treatment have produced a body of ideal strength that is smooth.

Needle Point

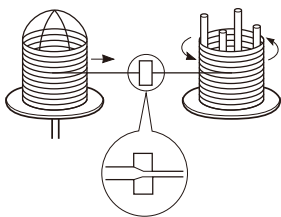

Smooth piercing enables easy sewing

It is the shape of the needle that, to some degree, determines your stitching. Tulip's needles, with the strength and durability of steel, are ideal.

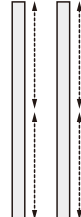

How are needles made?

① Wire drawing

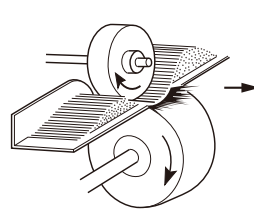

Extruded in different sizes according to type.

➔ ② Straight cut

The steel wire is stretched straight and then cut to the length of two needles.

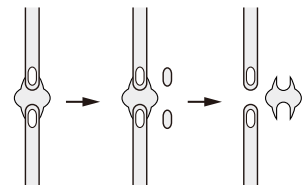

➔ ③ Point grinding

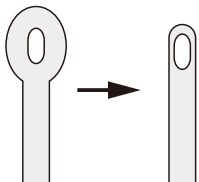

Sharpened gradually by repeated grinding.

➔ ④ Head shaping

After the eye has been stamped, a hole is made while the section of wire is split into two needles.

➔ ⑤ Round grinding

The two sides of the eye are known as the "ears." The ear grinding process results in a clean head with no bulges.

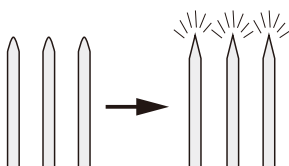

➔ ⑥ Hardening & Tempering

This is a critical process that gives the needle its hardness and elasticity.

➔ ⑦ Body grinding

The container is filled with the needle, polishing agent, and oil, and is rotated forward, back, left, right, up, and down in order to polish the surface.

➔ ⑧ Point sharpening

Points gradually sharpened by repeated grinding.

➔ ⑨ Nickel plating

The needle is plated with nickel. Depending on the specifications, the head may be plated with gold.

➔ ⑩ Inspection

At Tulip, we inspect the eye of every needle.

Sewing Needles

TULIP NEEDLES

Sewing needles of 77 types meet the needs of a wide range of users, including beginners and professionals.

Piecing Needles Superior Polished Finish

JAN	ART. NO.	ART. NAME	SIZE	pcs./pack	FEATURES	Package size & Net weight	packs/box

Sewing Needles

SASHIKO WORLD This kit series is designed based on the concept “Sashiko that you can enjoy creating, using, and displaying.”

What is sashiko?

Sashiko is traditional embroidery long cherished in Japan. A wide variety of unique sashiko styles have developed independently around the country. Among them, the traditional sashiko style in the Tohoku region is especially famous. The word sashiko denotes the sewing together or quilting pieces of cloth with needle and thread.

① Bleached cotton cloth

Wazarashi is a traditional specialty product of Sakai City, Osaka.

Wazarashi is bleached cotton cloth produced by removing impurities from cotton. A large volume of wazarashi has been produced since the early Edo period. Produced without damaging the natural texture of cotton, this cloth features a mild feel.

② Sashiko thread

Sashiko thread in beautiful, vivid colors produces a good feeling in your hand while sewing.

This thread is unique in that it is thicker and twisted softer than other embroidery threads. This thread makes stitches appear clearly and helps create very beautiful patterns.

③ Sewing Needles

Hiroshima Needle has a history of over 300 years.

Originating when the Asano clan as the domain lord encouraged lower-class samurai to engage in it as extra manual work at home. Inheriting the tradition, Hiroshima remains the largest sewing needle production center in Japan, producing over 90% of the country's sewing needles and pins. Every single needle, which we produce affectionately, is wonderfully comfortable to use.

Size of a completed cloth : 340mm×340mm

How to use:

Wrap your lunch box.

It can also be used as a cushion cover.

It has various uses.

Designed by Carol Ziogas

Carol Ziogas grew up near San Francisco, California. In her childhood, she learned to hand sew and was introduced to sashiko by her mother, a professional quilter. Her company, Kimonomomo, began in 2005 when Carol began importing kimono fabric and sashiko supplies to the US. She teaches sashiko in the US and has published several articles and designs in magazines. She is honored to work with Tulip Company Limited as part of their SASHIKO WORLD project.

Boutis et Trapunto

Boutis is a traditional French quilting, where two layers of fabric are quilted together with cotton stuffing placed between sections of the design, in order to give a raised effect.

Sewing Notions

PINCUSHION

A series of pincushions in 12 colors representing the months.

Cherry wood base

As the material for the pincushion base, we have selected gentle-looking cherry wood from various kinds of wood. Giving importance to maintaining a texture and appearance unique to the natural material, we have designed the base to be comfortable to the touch and provide steadiness for your needlework.

Cloth and padding

Placing the highest priority on having needles smoothly go into the pincushion, we have selected thick, high-quality cotton sheeting as cloth for the pincushion. With a very smooth and soft texture, the cloth helps you smoothly insert needles into the pincushion. We have also carefully selected the padding material to prevent your needles from rusting even during long-term use. All materials are produced in Japan.

Cellulose-Head Pins

The Cellulose-Head Pins that are included in this package are TULIP NEEDLES. The founder of Tulip, Atushi Harada, used cellulose to create the pins head so that each child's name could be written on the head of every pin. It is with this in mind that each pin is treated precious in home economics classes in primary schools. Even today, TULIP NEEDLES are used in the sewing sets of primary schools all across Japan.

For needlework lovers

PINCUSHION

A pincushion for each season.

A series of pincushions in 12 colors representing the months.
Pincushions for the 12 months are in Japanese-style colors representing the seasons.
We use well-selected materials such as base, fabric and padding that are all produced in Japan.
Cherishing the time-honored traditions of Hiroshima Needle that has a history of over 300 years,
we produce a high-quality pin included in this set.
We use Japanese-style colors and well-selected materials all produced in Japan.

Crochet Hooks

ETIMO GRANDHOOK

The long-awaited debut of giant crochet hooks with cushion grip!

With a specially-designed head that can easily hook and pull thicker yarn, this product enables you to crochet smoothly and comfortably for a long time.

Crochet Hook with Cushion Grip

①The shape of hook enables users to crochet easily.

The pointed, smaller head enables you to easily insert and pull out the hook. The deeper groove allows easy crocheting and provides a beautiful finish.

②The longer cushion grip enables users hold it comfortably.

The longer grip enables you to easily hold the crochet hook like a knitting needle when crocheting. The thumb rest on the front side and the grip extending to the back side on which your forefinger rests help you to hold the crochet hook without undue stress.

The shape of the grip enables users to hold the grip in two ways: pencil holding and knitting-needle-holding.

* When holding the crochet hook like a knitting needle, it is recommended to rest your forefinger as shown in the photograph for smooth crocheting.

* You can use the ETIMO GRANDHOOK for crocheting the i-cord produced by the i-cord KNITTER(p.63).

Crochet Hooks

Classic This set of high-quality crochet hooks offers a price advantage. The crochet hooks are characterized by the smoothly ground hook that can prevent yarn from getting snagged. Contained in a case, they are easy to carry.

RUG HOOK

TK-002e

- A thin hook body extended from the hook tip to the base of the grip allows you to create a beautiful work of art without enlarging the holes in the fabric too much.
- The hook has a smooth and small hook tip, allowing it to be inserted into the fabric and pulled through smoothly.
- The grip, which is light and easy to hold toward the fabric, lets you work for hours with less fatigue.

- Rotary cable join prevents twisting of the cable
- Exceptionally smooth cable-needle join
- As a rubber ring is applied to the join, needles will not loosen while knitting
- It is easy to attach without the use of any tools

New Interchangeable Bamboo Knitting Needles!

NEW
2020

TCS-13

JAN : 4974723717223

ART. NO. : TCS-13

ART. NAME : CarryS Interchangeable Knitting Needle Set

Package size : 70mm×155mm×11mm Net weight : 24g

SET CONTAINS : 3 pairs of 3.25mm needles (6 needles in total),
3 cables 5cm

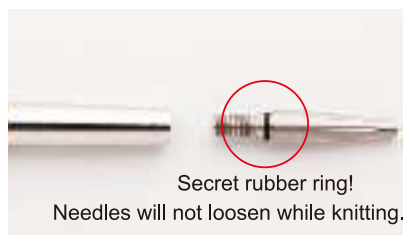

* Total needle length : 9.5cm

* This product contains three pairs of needles (six needles).

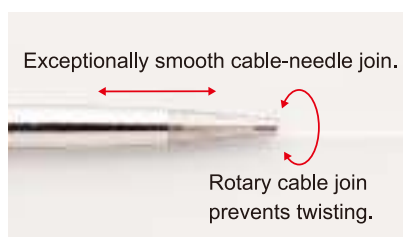

The needle size is the same as 3.25mm carryC Interchangeable
Bamboo Knitting Needles.

〈 Features 〉

- The cable connecting the needles is soft and conforms to your hands.
- It's easy to attach without the use of any tools.

Secret rubber ring!
Needles will not loosen while knitting.

Exceptionally smooth cable-needle join.

Rotary cable join
prevents twisting.

- For changing sizes or using as circular needles, use separately-sold needles and cables.

〈 How to use 〉

Easy access to the
instruction video! >>>>>

①Cast on the necessary number
of stitches using one of the three
needles.

②Move the stitches to the right
end of the needle and slip half
of them on the second needle.

③With the first needle facing,
take the working yarn in your
hand, insert the third needle in
the first stitch of the second
needle and start to knit.

④Move the stitches to the cable
or to the end and knit with the
free needle.
Repeat this step and knit the
necessary number of rounds.

Usage

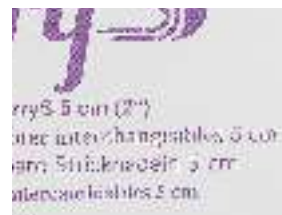

- CarryS is recommended for knitting of small tubes, mittens, and socks.

Size

- The size mentioned (5cm) is the
length of the cable only.
- When carryC Interchangeable
Bamboo Knitting Needles are
connected to both ends, the total
length is 24cm.

Fine Gauge Interchangeable Bamboo Knitting Needles 2.00mm-3.00mm, Cables 50cm-100cm, Stoppers

•Choose needles and hooks according to your preference or purpose.

Choose bamboo needles and hooks according to your hand size or knitting technique.

Features

Exceptionally smooth cable-needle join

A secret rubber ring prevents needles from loosening while knitting.

The swivel cable can fix a twist automatically.

Sharp needle tips

make knitting comfortable

- Needles are screw-on type, enabling them to be replaced without any tools.
- The groove in the metal bracket of the cable makes it easy to tighten by hand.

Knitting Needles

carryC CarryS

Just switch cables for speedy and effortless decreases.

Designed by Kazuko Murabayashi

TCS-13

CTMM-22

① Connect CarryS needles to both ends of the 40cm cable and knit the main tube. Knit up to the decrease row.

② Transfer half of the stitches each to two CarryS needles connected to a 5cm cable. Use the third needle to knit the decrease rows.

CarryS Interchangeable Knitting Needle Set 1set
carryT Interchangeable Bamboo Tunisian Hook 3.50mm 2pcs.

★Yarn

- Green yarn: pick up stitches (forward pass)
- Gray yarn: pull through (return pass)

★How to transition from knitting to Tunisian crochet

① Switch one end of the CarryS needles holding stitches to a Tunisian hook.

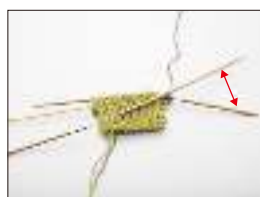

★How to transition from Tunisian crochet to knitting

⑥ After you've finished crocheting up to the return pass, switch to the combination of needles shown in the photo.

② Use yarn in another color to start crocheting the return pass in double-ended Tunisian crochet.

③ After you've crocheted half a row of the return pass, switch the Tunisian hook as in the photo.

④ Use the switched hook to finish the rest of the stitches, then switch the needle on the opposite side to a Tunisian hook.

⑤ Continue to double-ended Tunisian crochet the required number of rows.

⑥ After you've finished crocheting up to the return pass, switch to the combination of needles shown in the photo.

⑦ Crochet half a row of the forward pass.

⑧ Finish the remaining half of the stitches using the other needle prepared in step 6.

⑨ Switch the Tunisian hooks to knitting needles.

⑩ Cut the return pass yarn, leaving a long tail.

⑪ Knit through back loop in the first row with the switched needles, then return to regular knitting in the next row.

Knina swivel

Knitting Needles

Designed by Kazuko Murabayashi

- Rotary cable join prevents twisting of the cable
- Flexible cable is even great for magic loop knitting
- Exceptionally smooth cable-needle join
- Sharp needle tips

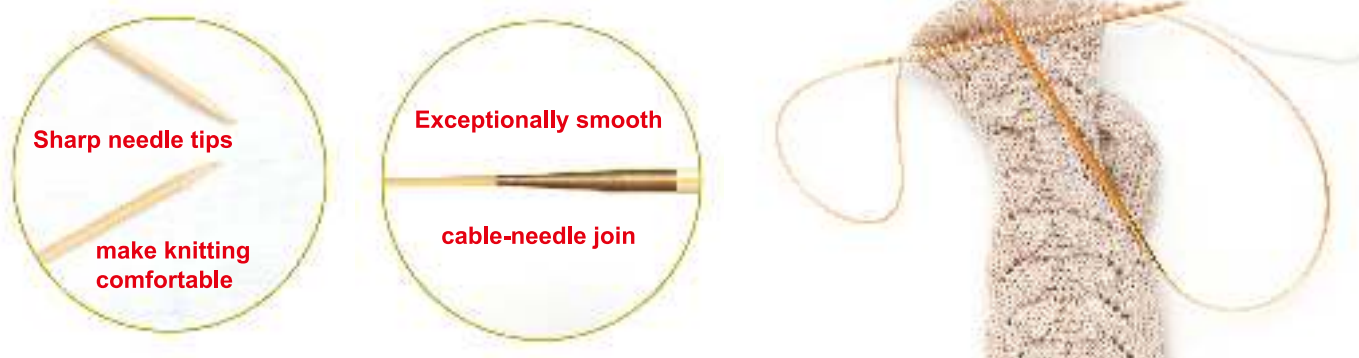

Knitting Needles

Knina swivel Knitting Needles

Knitting has never been so easy without our new bamboo circular needles! As an improvement, our new needle design streamlines the connection with other parts and prevents the cable from twisting during knitting. The slight bulge in the cable connection now features a smoother join. In addition, the cable and needle are no longer fixed, allowing the user to rotate the needles freely.

Features of Knina swivel Knitting Needles

- * Flexible cable is even great for magic loop knitting.
- * Rotary cable join prevents twisting.

ART. NAME : Knina Metal Knitting Needles 100cm

1pc./pack 5packs/box

Package size : 92mm×213mm×5mm

Knitting Needles

Advanced knitting needle!

Tulip's circular knitting needle plays a triple role. It can be used as a circular needle, double point needles, and single point needles.

Knina swivel Knitting Needles Knina Metal Knitting Needles

•Light

The cable is light and swivels, reducing wrist strain while knitting.

* The Knina Metal Knitting Needles' cable does not swivel.

While knitting, the knitting needles receive the increasing weight of the knitted fabric throughout their length, resulting in strain on knitters' wrists and fingers. This knitters' problem has been resolved.

Good for carrying half-finished knitting

Long single point needles are not easily portable. On the other hand, half-finished knitting with circular needles is compact in size and good for carrying.

The swivel cable can fix a twist automatically.

Knitting with circular needles reduces the weight felt by the knitter.

Circular needles

Designed by Kazuko Murabayashi

Knitting needles

Single point needles receive the weight of the knitting throughout their length.

•It can be also used as single point needles and double point needles

To use as single point needles

Flat knitting can produce knitted fabrics in various widths for multiple items, ranging from scarves to sweaters. It is easy to knit a long shawl which requires many stitches.

Flat knitting

Designed by Kazuko Murabayashi

To use as double point needles

Magic loop knitting by using an 80cm or longer cable enables circles in various sizes to be knitted, including small circles for gloves and large circles. The soft cables for products in the carry and Knina series are perfect for magic loop knitting.

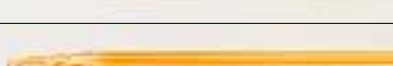

Magic loop knitting

Designed by Kazuko Murabayashi

Knitting Needles

These have feelings of warmth and smoothness that can only be found in bamboo!

CLEAR QUICK GAUGE

It is a square gauge ruler that measures number of stitches. It is easy to count the stitches by placing it over the knit because of its transparency. It is convenient and easy to carry.

AC-052e

JAN : 4974723716127
ART. NO. : AC-052e
ART. NAME : CLEAR QUICK GAUGE
Package size : 108mm×130mm×1mm
Net weight : 18g

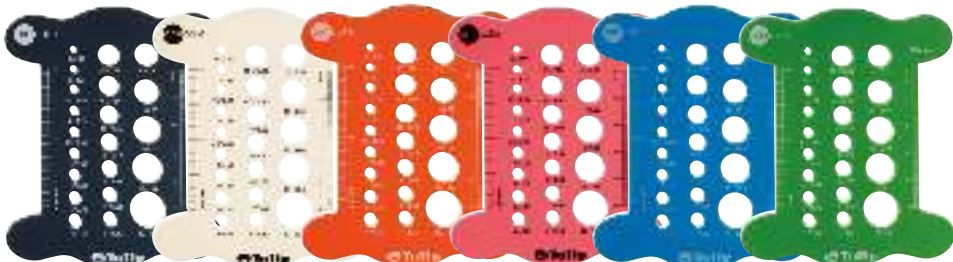

★Tip for using this item★
The inner circumference of the ruler measures 5cm, the outer circumference measures 10cm.
It is useful for counting number of stitches.

★Tip for using this item★
The yellow colored scale is visible on the knit of any kind of color.

KNITTING NEEDLE GAUGE

This gauge enables you to know the knitting needle size at a glance.

Knitting Accessories

STITCH MARKERS

- The variations in color enable knitters to select the color of tools according to the yarn color and change the color of accessories on a stitch-by-stitch basis.

★Tip for using this item①★

Simply slip the stitch marker onto the receiving needle at the location to mark. When circular knitting, placing a marker next to the first stitch of a row makes it easier to count the number of rows.

★Tip for using this item②★

When casting on, placing a stitch marker once every 20 or 30 stitches makes it easy to count the number of stitches.

- This slim marker is snag-free and will not widen or distort your stitches.

- This stitch marker is easy to pick up, even off a flat surface.

- Inserting a needle into the rounded heart-shaped marker enables you to smoothly pass the marker from one needle to the other.

- * XL fits : 7.00-12.00mm
- * L fits : 5.00-6.50mm
- * M fits : 3.25-4.50mm
- * S fits : 2.00-3.00mm

amicolle The rich color variations make it more enjoyable to collect knitting accessories

STITCH MARKERS (PIN)

●Using different colors for different rows makes it easy to count the number of rows.

★Tip for using this item★

Placing the STITCH MARKERS (PIN) once every 10 rows makes it easy to count the number of rows.

●STITCH MARKERS (PIN) can also be used as stitch markers.

●These round-nose locking stitch markers are specially designed to not split the yarn while you easily pick up.

★Tip for using this item★

STITCH MARKERS (PIN) are removable, allowing them to serve as a mark for undoing stitches to fix mistakes.

Knitting Accessories

TAPESTRY NEEDLES

- Extensive size lineup provided by the needle manufacturer. It is possible to select a needle size best suited to the yarn.

Tapestry needle	Yarn	
No.13	Chunky	Bulky
No.14	Aran	Worsted
No.15		
No.16	Light DK	Sport
No.17	4ply	Fingering
No.18	3ply	Light Fingering
No.20	2ply	Lace Weight
No.23	Lace Weight	

★Tip for using this item★

Using needles of different sizes according to the thickness of yarn makes it possible to bind off neatly.

Convenient case for tapestry needles

- Additional tapestry needles sold separately can be contained in the case for the set.

★Tip for using this item★

The case can contain additional tapestry needles of a frequently used size.

- The magnet attached to the case can be used to place or pick up needles.

- The needle's big eye makes it easy to thread yarn. The tip is rounded to avoid splitting the yarn. Perfectly suited for binding-off or sewing pieces together.

Knitting Accessories

i-cord KNITTER

Easy! Fun! Let's make original items with i-cord KNITTER

AC-050e

JAN : 4974723715991

ART. NO. : AC-050e

ART. NAME : i-cord KNITTER

Package size : 140mm×268mm×58mm Net weight : 321g

SET CONTAINS : i-cord KNITTER, Weight, Crochet Hook (2.20mm)

Ideal Yarns : Baby yarn, Sport yarn, Cotton crochet thread, Metallic yarn, Embroidery thread

* Yarn is not included in the set.

* Wire cannot be knitted even if it is very fine wire (e.g. artistic wire).

● It is a user-friendly and stylish knitting tool.

● You can make many items, including wool letters, accessories and interior decorating items, in an easy and fun way.

Yarn-Knit

① Pull yarn out of the ball. Thread it through the lower guide, over the upper guide and down through the tube.

② Turn the handle clockwise until the first hook catches the yarn. Push the yarn behind the second hook using the crochet hook.

③ Continue turning the handle until the third hook catches the yarn. Then, continue turning the handle, pushing the yarn behind the fourth hook and continue turning the handle until the first hook catches the yarn again.

④ Remember to hang down the weight. Continue turning the handle slowly, and make it sure that every hook catches the yarn.

Bead-Knit

① String all the beads in advance. Feed it into only the upper guide and down through the tube. By the same procedure ①-④ of Yarn-Knit, knitting 1-2 rounds without beads.

② Start adding the beads. As shown in the above figure, loop the thread around the first hook. Then, slide a bead between the first and second hook before looping the thread around the second hook. Hooking the second, slide a bead and hooking the third. Continue to bead-knit rows in this manner until your beaded cord has reached the desired length.

BLOCKING WIRES

- The beautiful finish will surely fascinate you. A set of wires and pins to shape the knitted project into the desired size. This product is particularly recommended for openwork knitting.

AC-051e

In the event of problems as shown below, shape the knitted project by blocking.

- The knitted project has become ill-shaped due to uneven stitches.
- The stitch pattern does not stand out clearly.

▲Add a small amount of wool wash to a tub of lukewarm water and wash your knitted fabric in it by gently pressing down on it.

▲Place the fabric on a foam mat. Then, pull it into the desired shape with using Blocking Wires and T-Pins and let it dry.

JAN : 4974723716110

BEADING NEEDLES

- Well-finished robust needle-eye
- Strong and break-resistant body
- Bows yet warp-resistant
- The tip is slightly rounded to avoid splitting the thread

Designed by Carol Cypher

Beading Needles & Tools

BEADING NEEDLES

Bends easily, without breaking or warping

Beading Needles

- ① The well-finished needle-eye enables users to thread a needle smoothly without snagging a thread. Furthermore, the robustness of the needle-eye provides users with a sense of security.

① Needle-eye

- ② The highly flexible body returns to its original shape even after piercing through a narrow clearance in bead stitching. Treated with heat, this needle is robust and highly flexible.

Designed by Satoko Nakamura

- ③ The tip is slightly rounded to avoid splitting the thread. The fine needle can smoothly pierce through a narrow clearance among stitches.

TBN-003e

TBN-004e

Tapestry Needles for Bead Crochet

- To finish bead crochet, the use of a tapestry needles for bead crochet is helpful. The fine needle can pierce through firmly crocheted stitches, resulting in a neat finish.

TBN-008e

② Body

③ Needle Point

TWISTED BEADING NEEDLES

- When preparing for bead crochet, using a twisted beading needle enables users to string beads onto the thread easily.

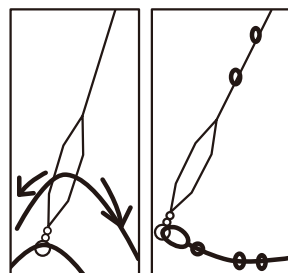

TBN-006e

TBN-007e

<USAGE AND WARNING>

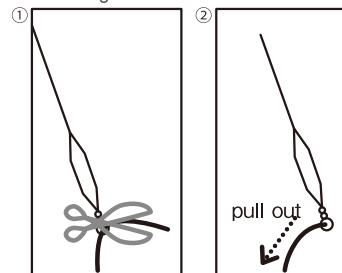

<USAGE AND WARNING>

Simply run the thread through the larger of the needle's eye and hold the thread on both ends to transfer it to the smaller eye.

<Removing the needle from the thread>

- After you have finished using the twisted beading needle, with the needle still threaded, simply cut one end of the thread near the eye of the needle.
- Then, gently pull the remaining thread out through the eye of the needle.

<Removing the needle from the thread>

- Colorful grips in candy colors bring you more fun
- Relatively short body of hook to make it easy to pick up beads
- Smooth hook tip for smooth bead crochet

Beading Needles & Tools

Bead Crochet
Sucre

Steel crochet hook for those who want to enjoy bead crochet

① Hook for firm and beautiful stitches

To make neat stitches with a bead, this product has a hook smaller than that of existing steel crochet hooks. The shape of the hook enables users to easily pull the thread out of firmly crocheted stitches.

① Hook

② Body of hook

② Body of hook to make it easy to pull down a bead

The length of the body of hook, which is shorter than that of existing steel crochet hooks, is best suited to pull down a bead. The body of hook enables users to crochet smoothly while pulling down a bead.

③ Cushion Grip

③ The shape of the grip allows users to hold the grip in two ways: pencil holding and knitting-needle holding

Users can hold the grip without undue stress by making proper use of the thumb stopper, which was created based on ergonomics. Wrist strain can be reduced, allowing users to crochet comfortably for a long time.

Sucre No.0 (TB13-0e)

ETIMO Rose No.0 (TEL-00e)

The length of the body of hook allows users' finger to reach the hook tip, so that users can crochet smoothly while pulling down a bead.

Using different tools for different purposes makes a difference in terms of the quality of works and the comfortability of crocheting.

Needle Felting Tools

FELTOMO

Felting is characterized by methods in which various two- and three- dimensional works can be created by poking wool with a special needle. Felting is accessible to beginners and children because accessories and interior decorating items can be made in a short time.

JAN : 4974723702410
ART. NO. : TF008e
ART. NAME : FELTOMO (NEEDLE REPLACEABLE)

Length : 145mm
1pc./pack 10packs/box
Package size : 60mm×205mm×20mm
Net weight : 28g

FEATURES :

The felting needle is especially designed for dry wool to make figures of your own.

★This felting needle is easy to replace and fits both thick and thin needles.

★The grip is comfortable to hold and will not slip, so you will not become tired even if you are felting for a long time.

★The hard cap ensures your safety when you put it on.

JAN : 4974723700379
